

ABOUT ME

Programmeur appliqué et passionné, avec une force d'adaptation surprenante.

SKILLS

- Unity (C#), Unreal Engine (Blueprint / C++), C++, C#, Python.
- 3C (Character, Camera, Controls), state machines (IA), UI, animations & IK.
- Git, Visual Studio 2022, Perforce (P4V), HacknPlan, photoshop

PROGRAMING LANGUAGES

- C++/C#
- Python

LANGUAGES

- Français C2 (natif)
- Anglais niveau C1 (avancé)
- Espagnol A2 (débutant)

GOAL

I wish to put my skills into practice by contributing to the implementation of gameplay mechanics, debugging and optimization, within a production team.

Loïc GIACOSA

GAMEPLAY PROGRAMMER

UNREAL ENGINE 5 - C++

PROJECTS

(2025-2026) | **GAMEPLAY PROGRAMMER - PROJET 3D "SUNWARD" | UNREAL ENGINE 5.6 - C++**

Gameplay mechanics in C++, modular interaction system, creation of a physical cable system, animation implementation, debugging and optimization

(2026) | **GAMEPLAY PROGRAMMER - GAMEJAM "MASK-A-LOT" | DEADLINE 48H | 3C MULTIJOUEUR LOCAL | UNREAL ENGINE 5.6 - BLUEPRINT**

Local multiplayer mechanics, dynamic camera system, sublevel loading/unloading system, port/throw/dash control integration

TRAINING/FORMATION

2023 - 2026 | BACHELOR GAMEPLAY PROGRAMMER & RNCP40280

- Year 3: Game production, in a team with the Game department using Unreal Engine (Game Designer & Graphic Designers).
- Year 2: Development focused on the Unreal and Unity engines, introduction to WPF, review of Python.
- Year 1: Native C++ development, SFML & Unreal Engine.

SKILLS

ENGINES

Unity (C#), Unreal Engine (Blueprint / C++)

GAMEPLAY :

3C (Character, Camera, Controls), Multiplayer, AI Behavior, FSM, UI, Animation Blueprint & IK.

OPTIMIZATION

Profiling, Memory Management, Performance Optimization.

OUTILS

Git/GitHub, Visual Studio 2022, Perforce (P4V), HacknPlan, Photoshop.

SOFT SKILLS (PRODUCTION & TEAM WORK) :

Interdisciplinary collaboration (design/art), clear communication, adaptability to feedback, problem-solving, personal organization, agile teamwork, thirst for learning and unwavering perseverance.
